UK warranty provision does not provide cover in the event of user misuse, abuse or accidental damage.

UK warranty provision does not provide cover against site environmental factors outside Life Fitness' control (e.g. heavy moisture content or chlorinated air environment).

UK warranty provision does not provide cover for any repairs or adjustments needed on customers' own AV/IT infrastructures which may interfere with Life Fitness product.

Any Extended Warranties or Service Contract provisions included within a specific Customer Purchase Agreement or Contract will prevail over the standard terms stated here.

Parts purchased directly by the Consumer are covered by a 90 day warranty to protect against any inherent defect or issue within that Part, but does not extend the warranty on the complete Product.
